## Mother's Day

### Mother's Day and What it Really Means

To understand Mother's Day and what it really means, you need to understand the person in your life called 'Mother'. Mother is one who nurtures you in her womb for nine months and brings you forth to enjoy the supreme blessing on earth, that is, Life. Mother is one who guides you through your infancy and turns the soft, helpless creature to the powerful and successful YOU. She is the guardian angel protecting you and supporting you, feeling for you and serving you silently always with a smile on her face. She prides herself watching you grow and provides you a shoulder to cry on whenever you need. She is every child's best friend.

For a child, every single day should be a Mothers Day. The essence of the meaning of Mother's Day is in the fact that we should try and make this day every year a memorable one for your mother. She should cherish the special feeling of this day and the intensity of that feeling should last her a life time.

This is the day to stop, remember, and pray for that special person in our life, without whom we would not have been, what we are today; a day to prove that all her efforts, towards making us a complete person, have been worthwhile and make her feel proud for us. In the broader sense of the term, Mother's Day is a day to be grateful to God for being so kind as to bless us with an angel in the form of Mother.

### MEMORIAL DAY MAY 30, 2007

#### Our Flag

There are many flags in many lands,  
There are flags of every hue;  
But there is no flag, however grand,  
Like our own Red, White, and Blue.

The temperature is slowly rising.

Before we know it, summer will be upon us and we will be looking forward to a cool dip in the pool.

Our swimming pool is open from 9 am and closes at dusk, 7 days a week.

We are reminding our residents of our pool rules. Children should always have an adult supervising them while in the pool. All residents must have their pass with them when using the pool. No guests are allowed in the pool without the resident.

### Awards Night

A celebration to honor every member of the household.

Here's how it works...

Pick a night that everyone will be home and choose a special meal that the entire family can participate in. Pizza and ice cream sundaes are a favorite for most!

Beforehand, ask everyone to decorate a piece of paper one for each member of the family. Write what makes that person a valuable member of the family or what makes them special.

Example...

"Alex's laugh brightens up the house."

"Kara puts so much love into her care of the cat."

On the day...Dress up for dinner, put some special music on and for extra touches, maybe even get a few balloons.

This event is bound to be a favorite that no one will forget.

Remember pictures and lots of applause!
