GRAND NEWS

September 2007

We would like to welcome all new residents and thank all of our current residents for renewing their lease (s). Whether your residency is new or old, we are always available should you have any questions or concerns. We are happy to assist you in any way we can.

Do you know anyone who's apartment hunting? Bring them by and show them the pool and the grounds and they'll see why you love living here! When they move in, you'll receive **\$50.00** off your next month's rent.

Labor Day, the first Monday in September, is a creation of the labor movement and is dedicated to the social and economic achievements of American workers. It constitutes a yearly national tribute to the contributions workers have made to the strength, prosperity, and well-being of our country.

To all residents and their guests. Please do not to park in front of the office during the week or on the weekends. Thank you.

Community Cooperation

We need your help to keep your community clean. If you see trash on the property, even if it's not yours, it would benefit everyone if you picked it up. Put all your trash in bags and transport it immediately to a community dumpster. Please, do not let your trash sit outside your front door, it attracts pests. We appreciate all those who pitch in now, and encourage those who aren't to join in keeping our community litter-free.

If you smoke, do not toss your cigarettes over the balconies or onto the grounds. Please put them out and dispose of them properly. Not only is it a fire hazard, you may hit someone walking below or cause damage to the grounds or cars.

Thank you for helping to keep our community safe and clean.

Residents, if there is anything you would like to share with your neighbors, a birthday or announcement. Contact the office and we'll put it in our next newsletter.

To all those who celebrate a birthday this month, we want to wish you a
